Search the PIC register

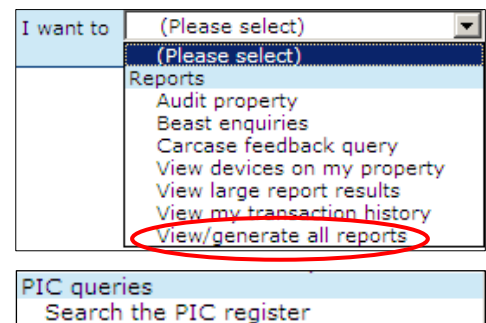

State authorities maintain PIC registers containing details for livestock properties in their area. State PIC registers are uploaded to the central NLIS Database to form a national PIC register. Disclosure of PIC register information is governed by the NLIS Terms of Use.

The **Search the PIC register** report allows you to look for contact details for a PIC, or the PIC associated with a trading name or location on the central PIC Register.

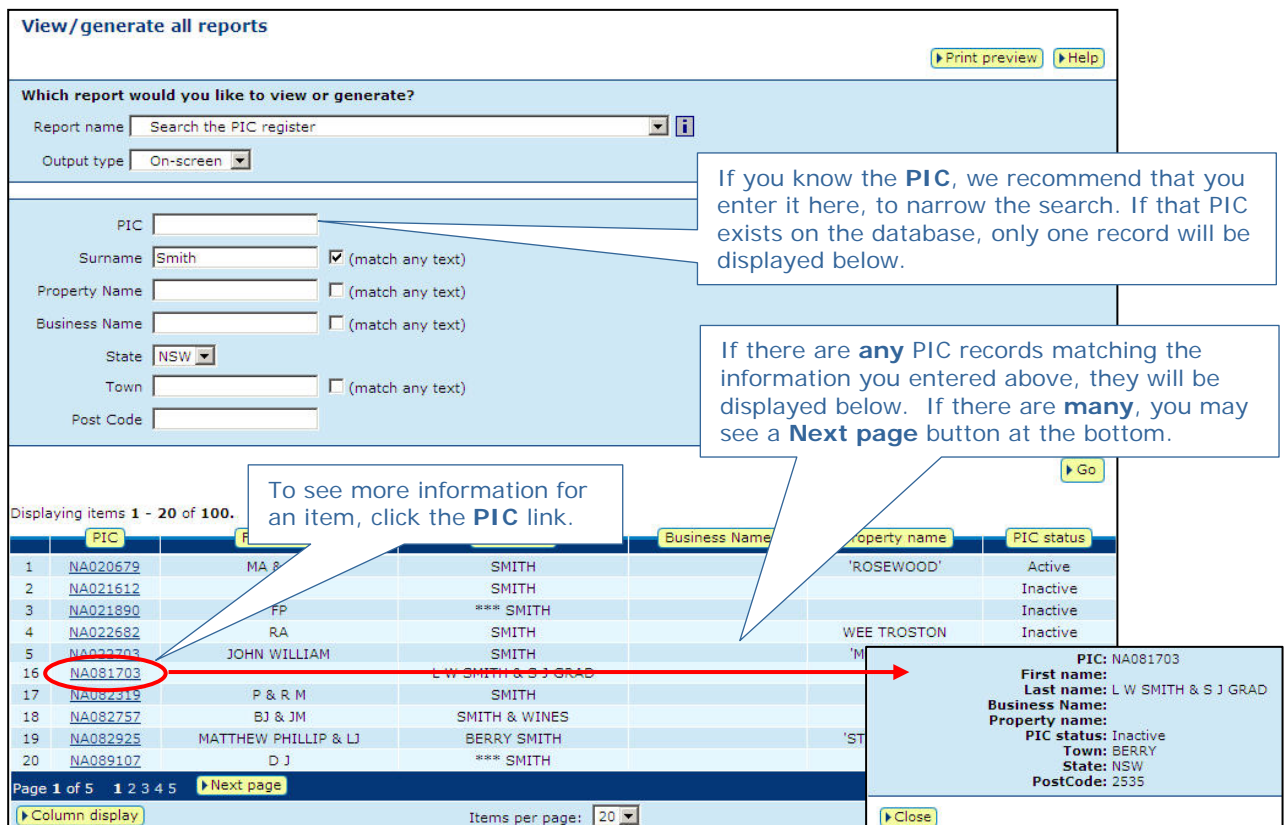

If you are permitted to view the details for that property, the report results will display the details.

- 1 Go to the NLIS database at **www.nlis.mla.com.au**
- 2 Enter your **user ID** and **password** and click **Login**
- 3 Select **View/generate all reports** and click **Go**
- 4 Scroll down to the **PIC queries** report group.
- 5 Select **Search the PIC register** and click **Go**
- 6 Type information in one or more fields.
- 7 Select a **State** and click **Go**
